

REMINDER + Note TIME Start: Mastering the Art of Instrument Navigation / Human Factors

Guest Speaker - Frank J Tullo will guide us thru a discussion of Human Factors. Frank is an expert in the field and travels the world educating airline and corporate pilots. He has been working in this field since its inception in the early 1980's. He is a former fighter and airline pilot and brings many years of experience.

IMC Club, provides organized "hangar flying" focused on building proficiency in instrument flying. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. You do not need to be instrument rated to attend.
